

HORRORPUNK DICE!

Want to write your own horrorpunk songs, but you're not sure where to begin? Just let these dice be your guide!

How to use:

- 1. Carefully cut these dice out (use a hobby knife), then fold and glue until they're dice-shaped.*
- 2. Whenever you're stuck on a lyric, roll the NOUN die, the VERB die, or both.*
- 3. Get creative! You got this!*
- 4. "Whoa" and "oh" are not optional. No rerolls!*
